Subject: **Thank You for Your Generous Support**

Dear Cathy Dwulet, Jayati Marshall, and The Global Uplift Project Team,

On behalf of Bal Sarathi Academy, I would like to express our sincere gratitude for your generous donation and continued support toward the education and well-being of our children.

Your contribution of USD 5,000 will make a meaningful difference in the lives of the 100 above students we serve. Through your support, we are able to provide nutritious meals for students and support the salaries of two helper staff members, ensuring that our children receive the care, attention, and learning environment they deserve.

We are especially grateful to Ms. Jayati Marshall for her kindness and commitment to helping children in Nepal. Your generosity is not only meeting immediate needs but also creating opportunities for a brighter future for these young learners.

Thank you to The Global Uplift Project for partnering with us and believing in our mission. We value this collaboration and will continue to work diligently to ensure that every contribution is used responsibly and effectively. We will provide updates and photographs as agreed, so that you can see the positive impact of your support.

Your trust, compassion, and dedication inspire us to continue serving children and families in our community.

With heartfelt appreciation,

Mala
