

Partner Profile AMEN Trust

Evangeline Kareedi started Amen Trust (Assistance to Mankind Enhancement for Needy) in 2004 by inviting people to help the needy. She believes in changing the lives of people irrespective of caste, race, religion or politics.

Amen Trust reaches out through various programs:

- Village adoption
- School adoption

- Support to underprivileged
- Women Empowerment program (sewing training centers)

Their work aims to break the vicious cycle of poverty and social isolation and to restore hope for a better future. They believe that every person has the right to access resources and opportunities in order to live and develop with dignity and to become an active and contributing member of society.
