

# Partner Profile Action for Change

The MPCF was founded by Rotarian Melissa Prandi in late 2021 in partnership with Rotarians from Kampala, Uganda and San Rafael, California. The Foundation has worked to provide 160 **full scholarships** to educate Ugandan youth at the primary, secondary, and university levels; brought food and needed home goods to those in the poorest Ugandan neighborhoods; and provided funding and materials to nursery schools, health clinics, and orphanages.

MPCF strives to create a community of children with unlimited possibilities and ensure that the orphans and vulnerable children are in better standards of living. They work to empower young mothers in economic development programs like Husbandry, Vocational Skills, Animal Keeping and Modern Agriculture.

They are committed to turning around the lives of homeless children and young mothers in Uganda. Their work helps and protects young mothers, orphans & vulnerable children from being exploited (where their only option is being house girls & boys or work as child laborers).
